

Navigate Tax Suite

Accelerator for Human-led, Tech-powered Tax Function

Tax landscape

The compliance needle has moved,

significantly impacting the tax function.

Data-driven compliances – online, granular, real time

More compliance, less interpretation

360-degree profiling – convergence between GST, customs and direct tax

Greater onus – higher stakes

Digital tax administration – faceless assessments

Move towards automation/centralisation/standardisation

Analytics – to identify evasion or non-compliances

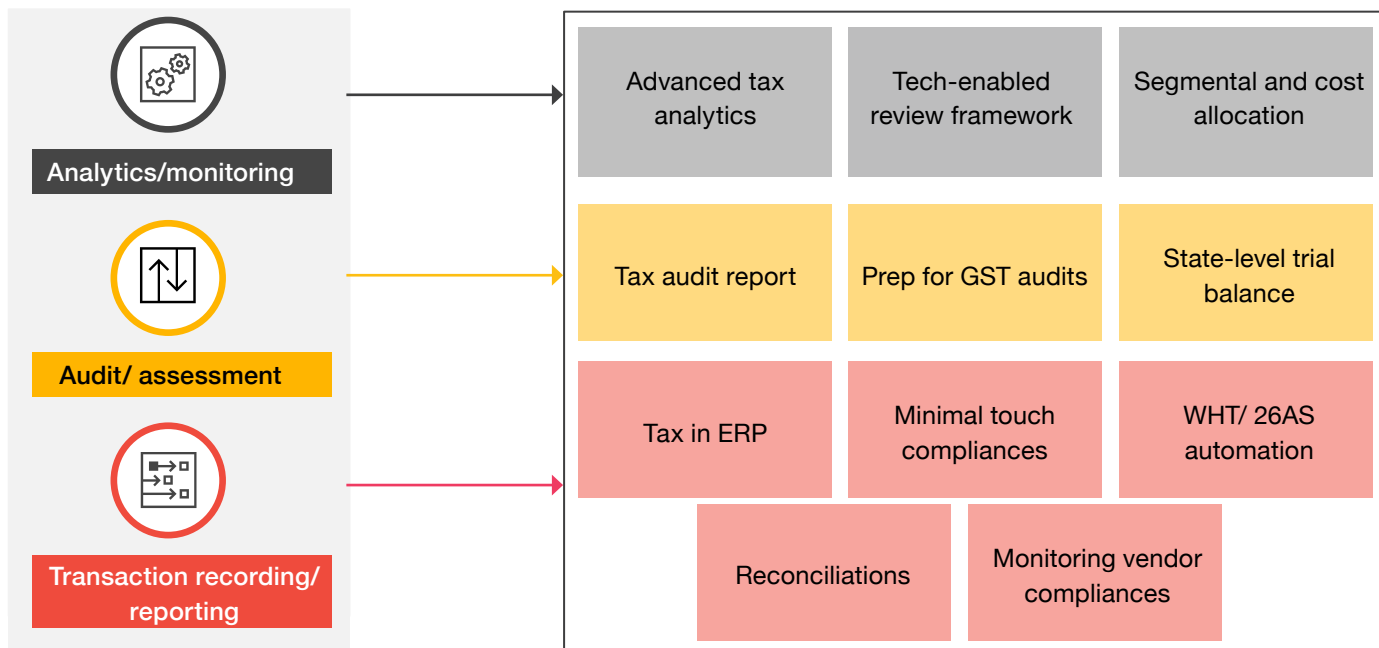

Increased touchpoints with other business functions

Increasing management expectations – more with less

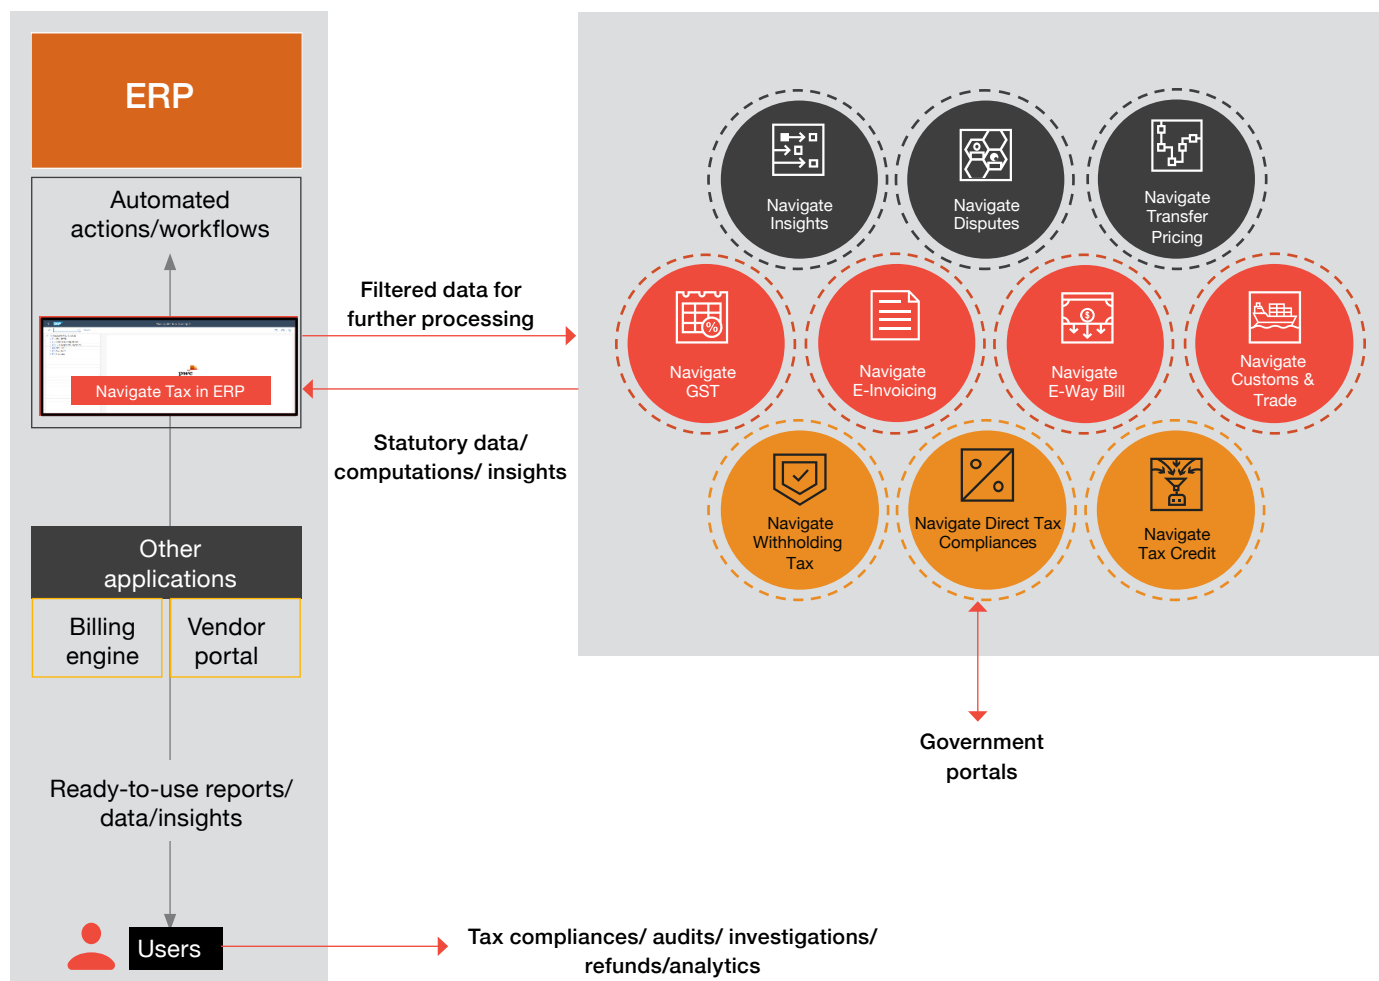

Organisations are looking at technology as the primary enabler to address specific tax compliance and reporting requirements.

Navigate Tax suite is an integrated platform that helps address diverse tax compliance, reporting, analytics and workflow automation requirements of the tax and finance function.
