

Navigate Direct Tax Compliances

Automate and streamline
your organisation's direct
tax compliance

The challenges

Manual preparation of income tax returns can be time consuming and prone to errors

Complex rules for computation of tax and interest

Non-standardised formats for data collation and deliverables

Lack of control in the compliance process

Our solution

With increasing complexity and ever-changing tax laws and regulations, companies are facing many challenges to stay ahead of their compliance needs.

PwC India's Navigate Direct Tax Compliances is a solution which helps you automate your tax calculations, identify deductions and credits, and assists you in filing tax returns of your organisation. With this solution, you can simplify your tax compliance, save time and reduce the risks of errors, penalties and fines.

Value proposition

Features
